QEF

For the past 75 years QEF has created opportunities for people with disabilities from across the UK by providing expert life skills, development, assessment, rehabilitation and training services.

All proceeds from this event will go towards a modernisation programme for our vocational services - helping more disabled people achieve their goals for life.

The Regina Monologues

Writer/Director: Susannah Waters

Starring: Penelope Keith as Elizabeth I

One of Britain's best-loved actresses plays Elizabeth I in the final months of her life - an eccentric, indefatigable monarch, restless with intellectual vitality. These witty monologues, interspersed with music from the age of Elizabeth's court, first toured to sell-out houses in 2003, the 400th anniversary of Elizabeth's death, and are being specially produced at the Leatherhead Theatre in a one-off repeat performance in support of the Queen Elizabeth's Foundation for disabled people.

Friday 23rd April - 7.30pm
