

# QEF

queen elizabeth's  
foundation for  
disabled people

## Vocational Services

QEF Vocational Services specialise in training people with disabilities, for sustainable employment.

## Computer Aided Design

The aim of this training programme is to teach candidates the basic commands necessary for professional 2D drawing, design and drafting using AutoCAD. The programme enables candidates to formalise their knowledge and receive career enhancement by gaining a widely recognised professional qualification.

The programme is delivered within a professional environment and opportunities for real work projects are periodically available.

### City & Guilds Level 2 Award in 2D Computer Aided Design comprising:

- 2 x Practical assignments.
- CAD on-line test.

### City & Guilds Level 3 Award in 2D Computer Aided Design comprising:

- 2 x Practical Assignment.
- CAD on-line test.

### For more experienced candidates Level 3 3D is available:

The aim of this programme is to provide candidates with a basic understanding of how to design and modify 3D models with AutoCAD.

### City & Guilds Level 3 Award in 3D Computer Aided Design comprising:

- 2 x Practical Assignments.
- CAD on-line test.

All provision is subject to change based on Awarding Organisation requirements.
